

Message from the 2009-2010 PTA President

Hello Bayside Middle School Family,

My name is Frozine Slater-Morrow and I am your 2009-2010 PTA President. I have to admit I am getting excited about this school year coming up. I am looking forward to helping maintain a fun, learning environment at our school.

My husband and I have an 8th grader. We are planning to be busy this year.

I am a volunteer who has been chosen to help plan, implement projects, organize events, build bridges between Parents and Teachers and represent our Bayside Middle School family at City and local area meetings. This information will be shared with you at periodic meetings, voicemail and email. Please try and come to at least 3 events this year to support our teachers and children.

I am asking for the support of ALL our parents and teachers. Please join the PTA for 2009-2010. In addition the new PTA Board is seeking additional parents/guardians and a few teacher volunteers to help implement projects that benefit our children and staff this school year. Everyone understands what we are facing during this tough economic environment. The PTA dues have not increased from last year. It is \$4.00 per person. We are willing to collect and accept your coins/change as well.

We strongly encourage you to join YOUR PTA and share a little of your time to make sure WE ASSIST our children and school staff when they need us.

2009-2010 Bayside PTA Board

Vice President—TBA

Treasurer—Tiffany King

Recording Secretary—Karen Woodley

Corresponding Secretary-- Rebecca Green

Much Regards,

Frozine Slater-Morrow,

Bayside Middle School PTA 2009-10 President
